WORK HISTORY

Flutter Developer

10/2023 - Today

Self Employed Freelancer, Remote

I started working with Flutter back when version 1.0 was just released. With 6 years of experience as a Flutter developer under my belt, I can confidently say that I am capable of creating mobile applications of any complexity using Flutter. Moreover, since I am also proficient in backend development, I consider myself a skilled full-stack developer.

Flutter Developer

11/2018 - 10/2023
